

## **Alvarado Ladies**

**© 2009 Matthieu Brandt**

City Angels dressed in lace  
Lonely souls beyond disgrace  
Strolling Red Lit Streets  
Alvarado ladies never sleep

A streetwalker named Desire  
Just another love for hire  
Bedding down with creeps  
Alvarado ladies never sleep

One more girl for him won't matter  
One more man for her won't help  
Love is just skin deep  
Only Alvarado ladies never sleep

Sidewalk treat  
On easy street  
Alvarado weeps

A sucker for a pretty face  
Tired of the weary race  
Passion comes real cheap  
Alvarado ladies never sleep

Burn your cash on trailer trash  
Ending in a shimmering flash  
The pity is yours to keep  
Alvarado ladies never sleep

City Angels dressed in lace  
Broken souls beyond disgrace  
Strolling Red Lit Streets  
Alvarado ladies never sleep
