

**If I Can't Love You**  
**© 2013 Matthieu Brandt**

If I can't love you  
no one will  
These voices inside  
can't keep them still  
You knew all along  
something was wrong  
Wanted to save me  
but you were suddenly gone

Can't go on like this  
I'm going insane  
I'm burnin' inside  
And you're to blame  
Why did you leave me  
in my maze of thoughts  
You knew I'd never  
find my way out

Though the Bible says  
'Thou shalt not kill'  
The pain's gotta end  
and tonight it will

There's a light at the end  
of the tunnel of death  
We'll soon see  
once we take our last breath

She can't have you  
You will be mine  
Our names together  
on that final sign  
She is strong  
she'll cary on  
In my tangled web  
I'm too far gone

The bell has told  
so now you're here  
It'll soon be over  
No time to fear

For one last time  
I will kiss your face  
Then I'll make my move  
with the devil's grace

Though the Bible says  
'Thou shalt not kill'  
The pain's gotta end  
and tonight it will  
There's a light at the end  
of the tunnel of death  
We'll soon see  
once we take our last breath

If I can't love you  
then no one will
