She's  
Another man's prize  
Another man's diva  
Another man's claim to fame

Another man's queen  
Another man's trophy  
Another man's winning game

She's  
Another man's muse  
Another man's victory  
Another man's lucky charm

Another man's elixer  
Another man's doll  
Me she can do no harm  
no more

'Cause she's  
Another man's vixen  
Another man's trouble  
Another man's road to madness

Another man's burden  
Another man's poison  
Another man's praying mantis

Another man's horror  
Another man's hell  
Another man's ticking bomb

Another man's risk  
Another man's funeral  
Me she can do no harm  
No more
