

Tricked By Satan's Treat
© 2024 Matthieu Brandt

Streetlight shines
 misty light
 down the alley
Shades betray
 what he craves
Here he makes
 the devils' bargain
Satisfy
 the greed

Feed the beast
No one sees
Tricked by Satan's treat

Sins disguised
 Silent lies
 Close his eyes
State of Bliss
 rendered by
 A Spiders' kiss
Fill the Void
 lust enjoyed
 A life destroyed
Sacrifice the soul

Feed the beast
No one sees
Tricked by Satan's treat

Shame decried
 voices heard
 regret defied
Promised land
 polluted with
 his bloody hands
Righteous deeds buried by
 disgraceful needs
Prophecy of doom

Baptised by Satan

the sinful will rise,
the virtues will fall

Defy temptation

Redemption awaits

Cleanse your blackened soul
